### MISSISSIPPI TORNADOES:

- We deployed a 24' tool trailer to Amory, MS to support the response efforts of Team Rubicon, Rise (Indianola), and Cajun Navy Ground Force (Rolling Fork).

### HURRICANE IAN – LONG TERM RECOVERY:

- TDS has extended our operations in Fort Myers and Punta Gorda through the end of May.
- We are in the process of transitioning our operations to our new Southeast Territory Hub in Tampa. This location will serve as our strategic operations for long-term recovery and also blue-sky operations across the Tampa region.
- To date, we have provided tools to **13 community-based organizations** to complete **2,798 projects**, equip **4,572 volunteers** and completed **530,945 volunteer hours**. We have loaned over **\$427,163.01 worth of tools**.
- In addition to tools, we have provided PPE to volunteers (N95, tyvek suits, safety glasses, etc.)

### TDS WEST TERRITORY HUB – SACRAMENTO:

- We have hired, James Ramos, as our West Territory Manager, who will lead our operations in Sacramento.
- ToolBank tools are with West Slope Foundation (Caldor Fire), Alliance for Community Transformation (Oak Fire), Hope Crisis Response Network, Indian Valley Thrift (Dixie Fire).
- Since January 2023, we have provided tools to **4 organizations** to equip over **176 volunteers** and work on over **77 houses / projects**.
- We are deploying a 53' trailer to Sacramento, which will be housed at The Salvation Army to serve as our home base as we work to find a more permanent warehouse location.

## TDS – PUERTO RICO:

- Jaime continues to build brand awareness across the island and has seen an uptick in tool orders.
- Beginning of Q4 2022 to date, TDS has provided tools to **7 community based organizations** (ProTechos, The Mission Continues, Cities of Love PR, Iglesia Cristiana Puerto Rico, Love in Motion Foundation, Travis Manion Foundation, and Team Depot).
- ToolBank tools have completed **261 projects**, equipped over **190 volunteers**, working to **repair 150 roofs**, directly impacted over **450 people**, and provided over **3,200 volunteer hours** to local communities.

## TDS – NEW ORLEANS:

- We have hired, David Melancon, as our Program Manager, who will lead our operations in New Orleans.
- David continues to increase brand awareness and tool usage across the greater New Orleans area. In addition, he is creating a development plan for sourcing local funding to build long-term sustainability of our New Orleans operation.
- Our goal is to turn the TDS – NOLA operation into a ToolBank affiliate by the end of Q4 2023.

## TDS SOUTH CENTRAL TERRITORY HUB – DALLAS:

We have a prospective warehouse option with our partner, Operation Blessing, with plans to tour the space in mid-May. We continue to seek funding opportunities to support the sustainability of the operations.
